

# LIFEWORK

Transforming Leaders – Transforming Cities

## Non-Negotiables

### Lifework Leadership Outcomes

*Three **C's** for a Faithful and Fruitful presence*

#### Clarifying your **C**alling

Integrating your faith in Jesus with business & everyday life

#### Connecting yourself to likeminded **C**ontacts

Build dynamic relationships with other Christian influencers

#### Captivating your heart for the **C**ity

Utilize your God-given influence and platform for the good of the city

A Character development Journey!

Transforming Leaders – Transforming Cities

# Core Elements of the Lifework Leadership Programs

## 1. It is a journey, not loose standing events

- ✓ Most of the 9 gatherings for the Leadership- or all 3 gatherings for the Executive programs must be attended
- ✓ A retreat early in the journey
- ✓ A graduation event where every participant receives a plated brick
- ✓

## 2. Session Topics based on the Jesus Journey

Prepare		
Foundation	Calling	Knowing God
		
30 YEARS		

Train				
Relationships	Worldview	Generosity	Compassion	Integrity
				
3 YEARS				

Transition		
Humility	Courage	Legacy
		
½ YEAR		

Transforming Leaders – Transforming Cities

### **3. Four mechanisms used to inform to the journey**

Jesus Journey // Recent Case Study // Expert Speaker // Lifework Experience

### **4. Exit interviews**

- ✓ Facilitate the next step for Lifeworkers out of the Journaling and Circle Charts
- ✓ Feedback about the program

### **5. Small groups journey within the larger group**

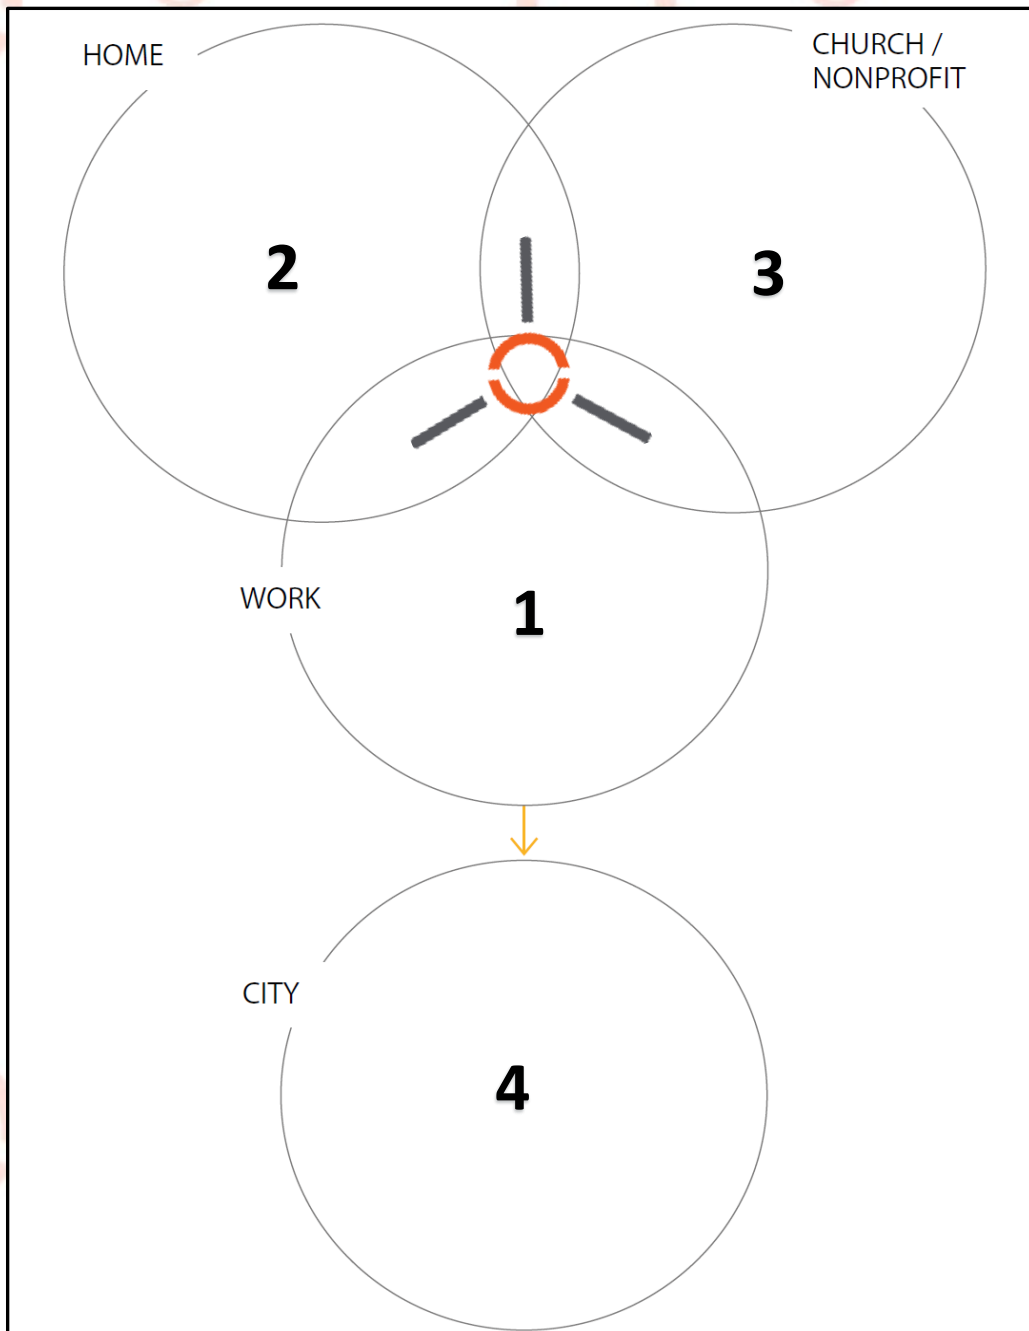

- ✓ The group of between 30 and 70 will be divided into small groups
- ✓ Ample time for processing in the groups to enhance understanding, application and accountability.
- ✓ Smaller groups ( $\pm 7$ ) must be encouraged to meet in between the gatherings for relationship building and further processing
- ✓ Small group coaches are trained.

### **6. Journey application facilitated with the Circle Charts**

- ✓ Have journaling time in the gathering before the small group discussions
- ✓ Time for personal application in the circle chart below (Leverage)
